By H G Wells

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Collectors. Language: English. Brand new Book. This collector-quality edition includes the complete text of five of H. G. Wells' science fiction classics - The Time Machine, The War of the Worlds, The Invisible Man, The Island of Dr. Moreau and The First Men in the Moon - specially selected for this collection because of their enduring influence on the science fiction genre, in a freshly edited and newly typeset edition. With a large 7.44"x9.69 page size, this Summit Classic edition is printed on hefty bright white paper with a fully laminated cover featuring an original full color design. Page headers, modern design and page layout, and an original, newly written author biography discussing Wells' life, work and enduring literary significance exemplify the attention to detail given this volume. Herbert George Wells (September 21, 1866 - August 13, 1946), was born to domestic servants-turned shopkeepers. Teetering on the brink of poverty after an injury ended his father's income as a part-time professional cricketer, Wells' parents apprenticed him to a draper in 1881, but he was dismissed in 1883. He then became a "pupil-teacher" in a system where older students helped teach...
